President's Message

Aloha!

We spent a delightful evening on Wednesday, May 13 at the Wailea Point Pavilion with the Group Study Exchange team from District 4940 from Argentina and Uruguay. A wonderful potluck was shared by all, we shared our culture with an entertaining performance of keiki and kupuna Hula and Tahitian dance and the young professionals shared a little about themselves. What a great group of Rotarian ambassadors! Another great RI program that allows us to strengthen our friendships by sharing our cultures! And look on the Photo Album section of the website to see the photos of our Kalepolepo Park Beautifucation Day!!

Doris

Mark Sheehan Tells About Maui Tomorrow

Mark Sheehan, President of Maui Tomorrow

Mark shared the mission of Maui Tomorrow: To help Maui residents protect natural areas and open space for recreational and aesthetic value; promote ecologically sound development; preserve the opportunity for a rural lifestyle; and participate in community programs, seminars and other functions to help explore the best possible solutions to pressing problems. For more information see:

www.maui-tomorrow.org

ROTARY CLUB OF KIHEI SUNRISE

VISION STATEMENT May, 2009

The membership of the Rotary Club of Kihei Sunrise exemplifies high ethical standards while presenting unmatched commitment. This ensures that the club's integrity and professionalism is recognized in the local and international communities we serve.

The Club believes that having diverse membership is an important cornerstone to success.

The Club focuses supporting those less fortunate and partnering with other non-profit organizations with a similar vision.

The Club supports the educational requirements of our community's Keiki by assisting with their academic and co-curricular needs.
